INSPIRE YOUR LEADERS & EXPLORE THE INSTINCTS BEHIND TEAMWORK

Meet Dr. Lucille Maddalena, a trailblazer in education and organizational dynamics. Leveraging her exceptional skill in integrating dog sledding principles into leadership, she takes your team on a transformative journey where real stories of teamwork come to life. Position your leaders at the helm of the sled, driving towards the emerging sun, and witness the instinctual harmony of teamwork unfolding with a breathtaking natural grace.

SPEAKING TOPICS

- ☑ ON BY! Discover your own trail to win by being inspired and inspiring.
- ☑ THE ART OF TRANSITIONING UP for new leaders ready to manage their career, develop rapport on all levels, and effectively manage a team.
- ☑ EXECUTIVE PRESENCE for leaders: develop your image, gain a reputation and let your voice be heard.
- ☑ WORK/LIFE INTEGRATION explores pro's and con's to make life and career work for you as you overcome the myth of work/life balance.

TESTIMONIALS

"The interaction and engagement in the room gets better and better every time. The team leaders guided the meeting and I couldn't be prouder of what we're achieving together."

"The skills we reviewed have enabled me to be more confident in meetings, to set goals and follow-up my teams nationally."

"Whenever I think about the importance of trust, rapport and empathy in all interactions, I will remember your words."
